Miss Willie Stanley, of Appomattox, is visiting Miss Cammie Taylor.

Mrs. J. D. Glenn is visiting relative at Evergreen.

Mr. Tucker, of Washington, is

a guest of Mr. Murrey Glenn this week.

There was a very pleasant Hallowe'en social gathering at the home of Mrs. Eustace Paulett on Monday evening. The guests were numerous while the witch, Miss Mamie Taylor, beautifully attired in red silk, made many hearts glad, as well as sad, by telling the guests what their future would be. At 10-30 the steam ing witches were dancing out of four large kettles of stewed sugar, and calling the young people to come and take them out into the cold air, and pull them into glistening plaits of silvery white. It was voted to be one of the pleasantest evenings spent by the young people for a long while, and they only wish that Hallowe'en came oftener.

Mrs. M. J. Cunningham, of Farmville, is visiting Mrs. C. Arthur Allen.

We are very glad that one of our boys, Willie Elam, carried off one of the laurels of the Farmville tournament.

The home of Mr. R. W. Fuqua was made sad on Tuesday afternoon, when God saw fit to take their infant son from their midst. The little one had been a sufferer for months.

From Bagby.

Nov. 1.—Mr. Chas. Coleman's little boy, Robert, died at the Memorial hospital Sunday with spinal meningitis. He was brought home and buried Monday at the family burying ground near Burkeville.

Miss Martha Coleman is spending this week with her brother Mr. Chas. Coleman.

Miss Maude Bradshaw spent Saturday and Sunday near Sandy River Church.

We are glad to report that our pastor, Rev. Mr. Woodhouse, who has been confined to his room for several weeks with a sore foot, was able to be out Sunday, and preached a splendid sermon.

Mrs. James Redford has been quite sick for several days with neuralgia, but is somewhat better now.

Right many of our people attended the Farmville Fair, and reported it very good indeed.

Ashes Removed Only Four Times Each Winter

With Cole's Original Air-Tight Heater it is only necessary to remove the ashes four times each winter, because the combustion with wood is so perfect that all the fuel is burned to a light white ash. You can regulate the amount of base heat at all times by the amount of ashes you leave in the stove. To those who use furnaces—No need of overheating your home in the early fall. A couple of Cole's Air Tight Stoves will keep your home comfortable and save many times their cost before you start your furnaces or steam plant. Allow us to show you this perfect line of heaters.

Failed in Health

"My mother died six years ago," writes Miss Ruth Ward, of Jerseyville, Ill., "and left me to care for six children. I had never been strong; and this, with the shock of her death, was too much for me.

"I failed in health. I was tired all the time and did not want to go anywhere, nor care for company. I had the headache all the time and such bearing-down pains. "A very dear friend advised me to take Cardui, as it had done her so much good, so I commenced to use it and now I am in good health."

Take CARDUI

The Woman's Tonic

Women's pains are relieved or prevented and women's strength is quickly restored, by Cardui, the woman's tonic. You yourself know best if you need it, or not.

If you do need it, do not delay, but commence to use it at once. Every day of delay, only lets you slide further down the hill.

Don't wait, then, but begin to take Cardui today, for its use, no matter how prolonged, cannot harm you and will surely do you good.
